### NOSTA Landbridge Service

2021/09/07

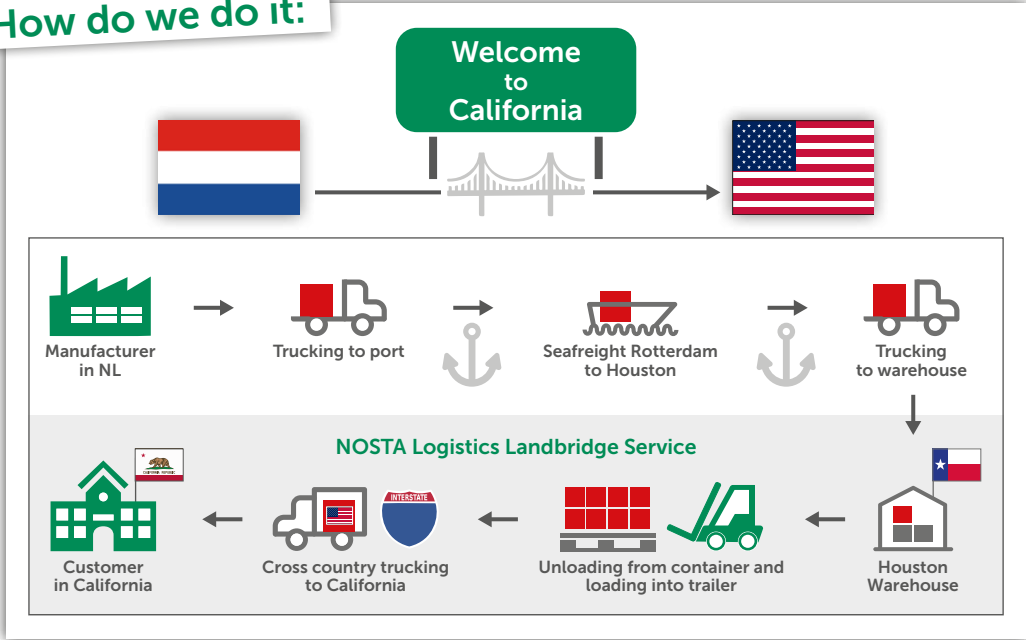

### We have built a bridge for you

The seaports of Long Beach and Los Angeles are still heavily congested causing severe delays and additional costs that are hard to predict. To help our customers manage their shipments to California we have designed an alternative solution to the standard all-water service.

### What is in it for you:

- Fastest lead time in the market
- Reliability in your supply chain
- Cost transparency
- Happy customers

### How do we do it:
