

Combined Transports

NOSTA Group | Rail

2023/02/06

With the combination of truck and rail transport, the NOSTA Group offers its customers highly efficient and resource-saving logistics solutions. In combined transport, the loading units are loaded quickly and safely at the CT terminal of the NOSTA Rail GmbH in Osnabrueck using reachstackers.

Our Service for you

- approx. 630 m railway tracks
- 8,000 sqm free space
- 2 reach-stackers capacity 45 tons
- Container handling/container depot
- Handling swap-bodies/semi-trailers
- Handling track/road
- Hazardous goods space for approx. 42 containers
- GGVS 2-6 and 8 and 9 (WGK 1-liquid)

Block Train Transports

- Osnabrueck/Dresden 2x a week
- Osnabrueck/Vlissingen 3x a week
- Osnabrueck/Antwerp 3x a week
